

# Pay Counter

TxPay Counter is a point-of-sale payment processing solution developed by Texas.gov for state and local governments. The solution enables your organization to quickly and efficiently process in-person credit card and electronic check payments at the office.

Common payments types that can be collected via TxPay Counter include:

Court Fees and Fines  
Traffic Citations

Personal Property Taxes  
Utility Bills

Any other at-the-counter payments

TxPay Counter is powered by our Transaction Processing Engine (TPE), a Payment Card Industry (PCI) Level 1-compliant electronic payment engine. TPE securely processes millions of transactions every year for government partners across the United States.

## Features

- ★ **Comprehensive Solution.** TxPay Counter supports all payment types including credit card, debit card, and electronic checks.
