

Features

TxPay is an enterprise payment framework solution developed by Texas.gov for state and local governments. This framework consists of modular, configurable online applications that enable you to easily and efficiently process one-time and recurring online payments.

Common payment types that can be collected via TxPay include:

- ★ Traffic Citations
- ★ Utility Bills
- ★ Fees and Fines

TxPay is powered by our Transaction Processing Engine (TPE), a Payment Card Industry (PCI) Level 1 compliant electronic payment engine. TPE securely processes millions of transactions every year for government partners across the United States.

Comprehensive Solution

TxPay supports all payment types including credit card, debit card, and electronic check.

Flexible and Configurable

TxPay is configurable to meet your specific requirements and integrates new features as they become available.

Secure Payments

TxPay integrates directly with your designated bank account and is compliant with PCI Data Security Standards.

Mobile-Ready

TxPay is designed to work with mobile browsers, ensuring that users can complete transactions with their mobile device.
