

Events

TxEvents is an online event registration solution developed by Texas.gov for state and local governments. The solution enables users to easily create, organize, and register attendees for a variety of events. This efficient approach eliminates repetitive, paper-based activities and streamlines the entire planning process.

TxEvents automates key tasks such as:

- ★ Registration
- ★ Reporting
- ★ Payment

TxEvents is powered by our Transaction Processing Engine (TPE), a Payment Card Industry (PCI) Level 1 compliant electronic payment engine. TPE securely processes millions of transactions every year for government partners across the United States.

Features

Online Registration

Customize online registration fields, provide an email receipt, and generate online links to commonly used event documents.

Maximums and Waitlists

Control the number of attendees who can register with waiting list and sold-out features.

Customized Badges

Badges are easily created, modified, and printed to include a logo or graphic.

Report Generation

Registration, attendance, payment, and past event data are available in CSV and Excel formats.

Vendor Management

Establish separate pricing levels and access to activities for vendors or exhibitors.
